

Straightening fitting for stabilizing 1215 to 2850 mm (3' 11 27/32" to 9' 4 7/32") high wooden doors (not suitable for hardwood)

Product highlights

-  **Flexibility** The right solution for every application thanks to selectable heights and three different finish colors
The tightening profile can be glued on or screwed on as required
-  **Comfort** The stable structure holds the doors in position and remains silent during operation
