

Granite Worktop Sealer

Features

- Use on Granite, Marble and Natural Stone Surfaces
- Ready to use specialist sealer
- Protects against Water and Oil spillages
- Protects against Stains
- Provides transparent vapour permeable protection
- Invisible coating
- Use on stone, unglazed tile, grout, terracotta and other porous surfaces.
- Seals safely – Non hazardous, Biodegradable and solvent free

Application:

Granite Sealer is ready to use, do not dilute further.

Always pre-test surface to be treated before proceeding and allow treatment to dry fully before testing and assessing suitability for full application.

Apply Granite Sealer solution with a lint free cloth.

Allow surface to dry completely before use.

Retailer Opportunity:

A good quality Granite Sealer is necessary to maintain a granite worktop.
