

CUBE BASIC

Affordable design

CUBE BASIC is an affordable version of our design line CUBE. It's developed to meet the quality demands that we have on all our products but with less designed details. We updated it with the new range of bins that are modern, feels good to handle and can easily be divided into smaller sections.

CUBE BASIC is installed on the bottom of the drawer and is easy to assemble.

CUBE BASIC 600

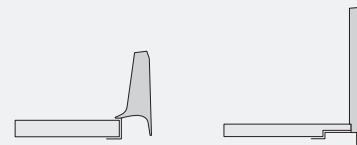

CUBE BASIC 800
