

TREND COMPACT

Solution with shallower depth

To offer a complete range we need to produce a waste solution that is suitable in drawers that goes under the kitchen sink. Waste sorting for drawers with a shallower depth. The framework has IMA's characteristic thin and elegant look and it is easy to install. The bins are optimized to contain as much as possible in a smaller space.

TREND COMPACT 600

TREND COMPACT 800

TREND COMPACT LEG*

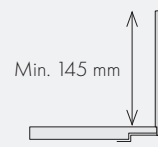

*The leg can be used as a complement to TREND COMPACT if you want to put it in a larger drawer.
